

## LIVE FIRE RAPID DEPLOYMENT

APRIL 15, 2010

ADAMAX RANGE LINCOLN, ILLINOIS

Intended for patrol officers, students will experience the nuance [muzzle blasts & ejected brass] of firing in extreme close proximity formations under instructor supervision. This course allows them to familiarize common drills in a realistic live fire environment rather than their first exposure during a critical incident. Training is conducted on the static range & CQB Shoot House.

- ✓ Diamond Formation Contact Drills  
Front, Side & Rear Threat
- ✓ 2 & 3 Officer Contact Drills
- ✓ Static & Dynamic Drills
- ✓ Officer Down Rescue Drills
- ✓ Room Clearing from Hallway
